BOTTOMLESS RULES

Your Bottomless experience must be fully paid before the commencement of the session.

We're unable to swap your drink once you have it, so please choose something you know you will enjoy.

Drink responsibly. Staff have the right to end any bottomless session if irresponsible drinking is taking place or if a staff member has received abusive behaviour from the table. Please remain respectful to our venue and other guests. We are a family friendly venue.

Your empty glass must be placed at the end of the table when finished with, a replacement drink will not be given without the empty glass.

Our team will come over to take your last order 10-minutes prior to your bottomless session ending.

When starting your bottomless session, you are agreeing to follow all of the above rules.

FLIP TO SEE THE DRINKS INCLUDED

Cocktails and mocktails with this symbol contain dry ice effects to enhance the experience.

We recommend waiting for the dry ice to fully dissolve or fire to extinguish before drinking. Straws must be used at all times. Please ask your server if you'd like your cocktail without the special effect.
